Program Volunteers: Every month's program is covered.

PROGRAM: Judge Walker presented a history of our club, reminding us of the club's inception by Galen Carr & Spider Johnson, meeting at various places including a cabinet shop, Lowe's Building Supply, & other places. We also heard that Bob Herman was the glue that held it together, holding officer positions of President, Vice President, Secretary, Treasurer, Program Director, Host, & #1 Hooter Guy! According to Jim, making cars & toys to give to the Children's Hospitals & others has brought in new members, new ideas, and new direction.

Gary Johnson added to Jim's narrative. Merrill Rikken made Gary feel welcome & urged him to participate in the club. As president, Gary asked for officer volunteers, with little or no acceptance. During his 2<sup>nd</sup> term Gary teamed up with Delman Farris to video tape various member's shops. They started with d Delman's shop. When Gary showed up, Delman was standing in front of his shop wearing a leather apron, a club logo cap, holding a chisel, looking ever so much the Woodworker. Trouble was, all of his gear was pristine,

never used, brand new stuff. After they finished laughing about the situation, they moved on to the video project. Gary was seeking programs that were educational, entertaining, and fun. They both agreed that the members enjoy getting together to visit, for learning how others make their various projects, to demonstrate their own unique way of approaching woodworking, be it toys, boxes, furniture, turning, carving, or just being around folks that can work wood & show the tricks of the trade.

Annual Dues: Ten members have paid their dues, \$20.00 per year.  
Thanks to all for your involvement in our Programs & in the Show & Tell  
portion. New ideas & projects are always welcome. Come to our meetings &  
share with others of like mind & varying levels of abilities.
