NEXT MEETING: 1st Thursday, February 4, 2010 at the GAC, 4215 University, 7pm.

MINUTES: Jerry Christian, our Brand New V. P. called the meeting to order because

Lee Savell, our new Pres. was Gone A-Hunting.

TOY & CAR REPORT: We built & delivered 2830 units in 2009.

PROGRAM VOLUNTEERS: We still need someone for the May meeting.

FUND RAISER: Suggestions are being solicited. In the past, we have raffled off

Chess Sets, a Child's Trunk, a Jewelry Box, and a Cross.

GAC PROJECT: We have been offered an opportunity to build 14 base units to go under

the tables in the Art Room in lieu of our rent for 2010. Bill Griggs has volunteered his shop, & we need a group to plan the project, collect the materials (GAC covers the cost), & build the units, probably some Sat. in March or April.

The Tech Museum has an exhibition of wood turned objects on site until April 4<sup>th</sup>. Bob Kohler thought we might want to attend as a Club, (maybe as our March meeting), or as a group. There is no charge, & they are open until 8:30pm on Thursdays.

DUES ARE DUE; \$20.00 per year, may be paid at any time.

Bank Balance: \$558.08

PROGRAM: Jim Finn displayed a Carpenter's Chest of Oak & Poplar with Seven Drawers, (some with sliding trays) & explained the building process. He got the plans & guidelines from "Shop Notes Notebook". He also demonstrated how he makes Bible Boxes with plastic hinge strips. As he worked on the boxes, he pulled out a sanding board ( used to aid in the smoothing of the box edges). He had glued two sheets of sand paper, side by side, on each side of the ½" MDF (18"x 13"), one side a coarse grit & the other side a fine grit.

SHOW & TELL: Jerry C. had some turned pens, & a visitor, Brad Seaton, brought some shop plans. He was open to suggestions on how to extend the shop's length.

Thanks to all for your involvement in our Programs & in the Show & Tell portion. New ideas & projects are always welcome. Come to our meetings & share with others of like mind & varying levels of abilities.

THIS IS YOUR CLUB. LET'S MAKE IT THE VERY BEST IT CAN BE!

Looking forward to each meeting!  
Ron McClellan
