NEXT MEETING: 1st Thursday, June 4<sup>th</sup>, at the GAC, 4215 University, 7pm.

MINUTES: A note from Ronald McDonald House was received, thanking us for 252 cars & toys, and Jim Finn received a phone call from them in appreciation of the outstanding Doll's Cradle with blanket & pillow that he & his wife had done for them.

A motion was made (Jim/JD) and passed that we will have 3 items (a Trunk, a Jewelry Box, and a Cross) for our fundraiser this year.

A motion was made (Phil/Vern) and passed that we would have separate raffle tickets (color coded) per item.

It was suggested that Hank & Ron set up places & times for Raffle ticket sales, 5 Saturdays in August, one in September.

A motion was made (Jim/Tommy Joe) and passed for the club to purchase a 10x10 EZ-UP Canopy for \$96.26.

MATERIAL REPORT: J C Cassle has contacted O'hair Shutters concerning their cut-off wood pieces.

PROGRAM: Vern Mitchell led a discussion on Tool/Shop Safety, covering carelessness, not paying enough attention, not enough respect for the saws, sanders, drills, and other machines that we work with. Bill Griggs still has all of his fingers, but 3 of them are kinda ugly. Jim Finn talked of his job as a metalworker where he got nicked or cut on a daily basis. J C talked of table saw kickback, & Delman reminded us to also be aware of eye protection.

SHOW & TELL: Judge Jim displayed a piece of mahogany that he had smoothed up with a hand plane, & helped us to remember that liquid hide glue is reversible with drops of water at exactly the right spot.

Jim Finn brought a sack of small, rolling animals to be used as patterns, & then as gifts.

Vern had a 4 car train as well as a Child's Chair that he used story sticks for measuring & marking wood.

JUNE PROGRAM: Ron McClellan
