NEXT MEETING: 1st Thursday, September 3<sup>rd</sup>, at the GAC, 4215 University, 7pm.

MINUTES: Most of our time was spent discussing Raffle times & places. Our committee met to set up the Raffle spots, and decided that 4 Saturdays including the Festival would be sufficient. We will be at:

Market Street on 98<sup>th</sup> and Quaker on August 29<sup>th</sup>, with Jim Finn, J D Clay, George Parramore, & J C Cassle manning the booth.

Market Street on 50<sup>th</sup> and Indiana on September 5<sup>th</sup>, with Ron Mac, Hank Obirek

And ----- & -----.

United Super Market at 4<sup>th</sup> & Slide, on September 12<sup>th</sup>, with Bill Griggs, J R Rasco,

Delman Farris, and Taylor Leach.

The GAC Festival at 4215 University Ave on September 19<sup>th</sup>, with Bob Kohler, Ron Mac

And -----& -----.

We still need some volunteers to fill out time on 9/5/09 and 9/19/09. We will have the drawing for our Raffle Items at the Festival about 4pm. The best time to run the booth at the Festival is in the morning when most of the lookers & buyers will be present.

MATERIAL REPORT: J C Cassle has contacted O'hair Shutters concerning their cut-off wood pieces, & he will have wood to pick through at the meeting.

PROGRAM: Anthony Viglicky demonstrated how to turn a pen using the Club Lathe, and did a right smart job of it too! He showed us different ways to accent the pens with grooves & gouges. He offered to give the pen as a door prize which was won by Bob Kohler.

SHOW & TELL: Lee Burton brought some pickups & cars of some kind of mystery wood which was identified as Ipe, a dense, dark, heavy jungle wood with ivory spots all through it. He also had a jewelry box of poplar with various shaped drawers.

The Judge brought a turned Christmas Tree Ornament of cherry wood.

SEPTEMBER PROGRAM: Gary Johnson
